Who can help with…?
Guide to Who’s Who and What’s What

INTRODUCTION

This guide provides information to help academic administrators, faculty, and staff understand how the Division of Academic Affairs is organized and to identify the people whose services may be needed in the daily running of departments and other academic units.

The guide is available in pdf format on the Faculty Handbook of Policies and Resources webpage at www.faculty.umd.edu/WhosWho.pdf. The on-line version is frequently updated as new information is provided. At the beginning of both the fall and spring semesters, a new guide is printed and mailed to deans and department chairs, as well as posted on the web.

We welcome updates to listed information and/or suggestions for changes to the guide. Please contact Rhonda Malone, Director of Faculty Mentoring and Development (rmalone@umd.edu, x52509).
# TABLE OF CONTENTS

**Academic Administrators Contact Information**

**Colleges/Schools**

**Information Technology**

- **OIT Faculty/Staff Help Desk** [http://www.helpdesk.umd.edu/] ............................... 51500
  - The OIT Help Desk provides a one-stop destination for IT questions and advice.

- **OIT Student Help Desk** [http://www.helpdesk.umd.edu/] ....................................... 51400

- **IT Service Center** [http://www.itsc.umd.edu]
  - A complement to the OIT Help Desk, the IT Service Center enables customers to initiate OIT Help Desk requests online, 24 hours a day; track current and past requests online anytime; research self-help documents with the Knowledge Base; and subscribe to receive automated updates on posted IT
issues.
ACT Computer Purchasing Program [http://www.act.umd.edu/] .................................................. 51500

The Academic Computers for Terps program offers purchasing discounts and warranty repair service for Apple computers and Dell PCs.

Apple Demonstration/Development Lab
Apple’s laptops, desktops, and servers are available for faculty and staff testing at the lab or through short term loan.

Blackboard Academic Suite (See ELMS) ................................................................. 51500

Data Administration [http://www.oit.umd.edu/dataadmin] ............................................. 56819

Data Administration manages the University’s institutional data.

ELMS (Enterprise Learning Management System) [http://www.elms.umd.edu/] ................. 51500
ELMS (powered by Blackboard) is the online environment that supports teaching and learning at the University.

Project NEThics promotes responsible use of IT through user education and policy enforcement.

Formerly known as the Institute for Instructional Technology (IIT), the Learning Technologies Institute offers faculty-centered training that combines skills training with instructional design guidance, product development advice, and pedagogical discussion and debate.

Listserv Lists and E-mail Reflectors [http://www.oit.umd.edu/faculty/listserv.html]

Mid-Atlantic Crossroads (MAX) [http://www.maxgigapop.net/] ........................................... 56666
MAX is an advanced networking consortium for universities, government, and non-profit entities.

Networking and Telecommunications Services (NTS) [http://www.oit.umd.edu/nts] ............. 54400
NTS provides voice and data communication services, including phone lines, data jacks, and the University’s wireless network.

Research Data Center Server Hosting [http://www.oit.umd.edu/ops/rdc]
The Research Data Center (RDC) is a co-location facility that offers an improved facility infrastructure for non-OIT administered computer systems.

Software Licensing Office [http://www.oit.umd.edu/slic] ...................................................... 52986
This office assists faculty and staff with selecting and purchasing software.

Web server for storing audio and video media files.

Technical Services [http://www.oit.umd.edu/tss]
Various fee-based server, file sharing, back-up, and storage devices are available.

Technology Classrooms [http://www.oit.umd.edu/tc] .......................................................... 53702
The University has 217 Technology Classrooms, ranging in size from 23 seats to 506 seats.

Technology Officers [http://www.oit.umd.edu/as/technologyofficers.html] ......................... 52922
Technology Officers provide leadership in an assigned college or school in providing IT support for faculty, students, and staff. They also serve as liaisons between the college/school and OIT.

Terrapin Technology Store [http://www.oit.umd.edu/techstore] ........................................... 47000
The store provides discounts on IT equipment for personal use. These include Dell and Apple computers, iPods, and software.

Web-based Course Management [http://www.elms.umd.edu/] ............................................. 51500
ELMS (powered by Blackboard Academic Suite) is the University’s official Web-based course and content delivery system.

Web Design (See Web Services)

Web Hosting [http://www.webhosting.umd.edu] ................................................................. 51500
Web Hosting provides fee-based Web hosting services to the University community.

Consulting, Web services programming, and Web application development.

**Institutional Research, Planning and Assessment** [https://www.irpa.umd.edu] .................... 55590
- Course evaluations
- Learning outcomes assessment
- University, Faculty, Staff, and Student data
Institutional Review Board (IRB) http://www.umresearch.umd.edu/IRB
IRB helps assure the protection of the rights and welfare of human subjects. It approves the initiation of and conducts periodic reviews of research involving human subjects.

International Faculty and Student Assistance http://www.umd.edu/ies
- Assistance with obtaining visas for visiting scholars and faculty
- Evaluation of transcripts
- Immigration, financial, and cross-cultural counseling
- Orientation services
