# Guide to Who's Who and What's What

## INTRODUCTION

This guide provides information to help academic administrators, faculty, and staff understand how the Division of Academic Affairs is organized and to identify the people whose services may be needed in the daily running of departments and other academic units.

The guide is available in pdf format on the *Faculty Handbook of Policies and Resources* webpage at [www.faculty.umd.edu/WhosWho.pdf](http://www.faculty.umd.edu/WhosWho.pdf). The on-line version is frequently updated as new information is provided. At the beginning of both the fall and spring semesters, a new guide is printed and mailed to deans and department chairs, as well as posted on the web.

We welcome updates to listed information and/or suggestions for changes to the guide. Please contact Rhonda Malone, Director of Faculty Mentoring and Development ([rmalone@umd.edu](mailto:rmalone@umd.edu), x52509).
